In perfect condition

Material: Glass (stained glass)

Age: Second half 19th century

Geographical Origin: Netherlands

Beautiful antique decoration piece.

Suncatcher in perfect condition with the original chain.

Fantastic effect in front of the window when the light shines through.

Stained glass depiction of falconer with hooded falcon.

Really very well painted, crafts, glass and image still in perfect condition.

Dimensions 25 cm in height x 18.3 cm tall

Even the photos do not do justice to the quality of this suncatcher.
