Licensing

This is a faithful photographic reproduction of a two-dimensional, public domain work of art. The work of art itself is in the public domain for the following reason:

The author died in 1668, so this work is in the **public domain** in its country of origin and other countries and areas where the **copyright term** is the author's **life plus 100 years or fewer**.

This work is in the **public domain** in the **United States** because it was **published** (or registered with the **U.S. Copyright Office**) before January 1, 1929.

This file has been identified as being free of known restrictions under copyright law, including all related and neighboring rights. (<https://creativecommons.org/publicdomain/mark/1.0/deed.en>)

The official position taken by the Wikimedia Foundation is that "*faithful reproductions of two-dimensional public domain works of art are public domain*".

This photographic reproduction is therefore also considered to be in the public domain in the United States. In other jurisdictions, re-use of this content may be restricted; **see Reuse of PD-Art photographs for details**.
